For Immediate Release
March 3, 2009

Charlotte, NC — The Associated Builders and Contractors of the Carolinas (ABC) announced today a champion in the electrical professional trade. Christopher Januzys, a fourth year electrical apprentice, placed 2nd in the National Craft Championships in Honolulu, Hawaii. Januzys was a Gold medal champion in the North Carolina State Electrical Apprenticeship Competition last fall. Januzys works for ABC member Watson Electrical.

“The ABC National Craft Championships are the Olympics for the construction industry,” said Doug Carlson, ABC President & CEO. “Competitors compete from all over the nation. Januzys is the best of the best in his trade.” The National Craft Championships were held at the ABC National Convention in Honolulu Hawaii this past week. The two-day competition covers a written examination and a hands on comprehensive test that masters the skills of the trade.
